### April 27, 2020

The Board's President, Dr. Veltri, determined this emergency meeting was properly noticed with the Secretary of State's office and a sufficient number of members were in attendance to constitute a quorum. The quorum was determined by the presence of all Board members. Therefore, the meeting of the West Virginia Board of Dentistry was called to order.

The first order of business was the meeting notice to the Secretary of State which was distributed for information purposes only.

The next order of business was the review of drafted recommended guidance and letter to the Governor from the West Virginia Dental COVID-19 Task Force for the re-opening of dental offices in the State on May 11, 2020. After review and discussion, Dr. Veltri suggested the graphics on page 2 of the guidance be replaced with the links to the graphics instead. Mrs. Beverly L. Stevens made a motion the recommendations of the Task Force be approved by the Board. Mrs. Mary Beth Shea seconded the motion, which passed unanimously. These recommendations will be emailed to licensees and placed on the Board's website once they have been submitted, reviewed and agreed to by members of the Governor's COVID19 Task Force Team.

At this time the meeting was adjourned upon motion by Dr. Stan W. Kaczkowski, properly seconded by Dr. Lewis D. Gilbert, and unanimously passing.
